

CONTINUING EDUCATION

This program is approved for 2.0 contact hours by Central Mississippi Medical Center, which is an approved provider of continuing nursing education by the Mississippi Nurses' Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. The participant signing in, attending the program and returning the completed evaluation tool will determine participation in and successful completion of this activity. Accredited status refers only to continuing nursing educational activities and does not imply ANCC Commission on Accreditation approval or endorsement of any commercial products.

LOCATION AND PARKING

The program will be held in the Clyde Muse Multipurpose Center on the Rankin Campus of Hinds Community College. Parking is available. Please call Marilyn Eade at 601-936-1052 if any of the auxiliary aids or services identified in the Americans with Disabilities Act are needed in order to attend.

REGISTRATION

Pre-registration is required. Registration deadline is February 14, 2011.

CANCELLATION REFUND POLICY

A refund will be granted for cancellation requests received in writing prior to the registration deadline. Refunds will not be granted after the registration deadline, but a pre-registered participant may send a substitute. We reserve the right to cancel this program in the event of circumstances beyond our control. A refund will be made in the event of program cancellation

Dr. Fred Mullins, is the Medical Director of the Joseph M. Stills Burn Center in Augusta, Georgia. He completed his undergraduate education at Augusta State University, Augusta, GA. He obtained a BS Physician Assistant at the Medical College of Georgia, Augusta, GA. Dr. Mullins is a graduate of the Medical College of Georgia School of Medicine in Augusta, GA. He completed a surgery internship and residency at Spartanburg Regional Healthcare System. He is board certified by the American Board of Surgery. Dr. Mullins assumed the Medical Directorship of the Joseph M. Stills Burn Center in 2005. The policy of the center is to never refuse patients regardless of their personal circumstances. He and his staff travel throughout the southeast to educate professionals about the stabilization and treatment of burn patients. Dr. Mullins works with the Joseph M. Still Research Center, Inc. and the Southeastern Firefighter's Burn Foundation, Inc., which assists patients with non-medical necessities and housing.
